Multi-Format Quarto Example

Table of contents

1 Slide with Speaker Note

This is the main content of the slide.

> 💡 **Tip**
>
> hhh

::: callout-tip Speaker Note This is a speaker note that will appear in PDF and HTML, and be treated as a speaker note in Revealjs.:::

2 Quartoeeeewww

Quarto enables you to weave together content and executable code into a finished document. To learn more about Quarto see https://quarto.org.

> [!note] Here comes my speaker note.

3 Running Code

When you click the **Render** button a document will be generated that includes both content and the output of embedded code. You can embed code like this:

```
1 + 1
```

```
[1] 2
```

You can add options to executable code like this

```
[1] 4
```

The `echo: false` option disables the printing of code (only output is displayed).
